

The Latin Mass and Keep The Faith present the Tenth Annual Monterey Conference

The End or the Beginning?

Danger and Deliverance at the Dawn of the Third Millennium

Saturday December 3 & Sunday December 4, 2011

in Monterey, California at The Beach Resort, 2600 Sand Dunes Drive, Monterey, California

Pope Benedict has recently likened the situation of the Western world to the Roman Empire in the midst of its fall, warning that "moral consensus is collapsing, consensus without which juridical and political structures cannot function. Consequently, the forces mobilized for the defense of such structures seem doomed to failure... The very future of the world is at stake." Is it all over? Or does Providence have other plans, giving us signs of hope in the midst of so many reasons for despair? Our renowned speakers will explore this theme under various aspects, and will reveal some surprising conclusions.

Romano Guardini on the End of the Modern World
 Father Romano Guardini, was an orthodox defender of the dogma of the Catholic Church. He is called a prophet because of his

predictions in *The End of the Modern World* when, in 1950, he correctly predicted many of the things that have happened in the world during the past sixty years. **Father Kenneth Baker, S.J.**, is Editor Emeritus of the *Homiletic and Pastoral Review*. He is also a regular contributor to *The Latin Mass* magazine.

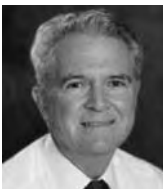

Father James Buckley, FSSP, M.A. is the Spiritual Director for Our Lady of Guadalupe Seminary in Denton, Nebraska where he teaches the following subjects: Apologetica, Litterae

Catholicae, Litterae Anglicae, Paedagogica, Homiletica, Doctrina Christiana. He is a highly regarded traditional Ignatian retreat master and the author of the *Collected Articles of Father James B. Buckley*. He is a past speaker at *The Latin Mass* conference.

A limited number of rooms have been reserved at special overnight rates at The Beach Resort. **Reserve your rooms early.** Call the hotel (800) 242-8627 or (831) 394-3321 and mention "**Keep The Faith 2011**" to receive a **30% discount.**

The Medical Consequences of Our Culture's Moral Chaos
 Despite today's collapse of moral consensus, the human body is not fooled. What is the human body's verdict on the moral issues of today?.

Ronald G. Connolly, M.D., practices Internal Medicine in Lafayette, CA. Dr. Connolly received his medical degree from Georgetown University School of Medicine. His medical experience includes active duty with the U.S. Navy, and continuous pro-life work since 1969. He is the author of *I'll Bet My Life On It: One Doctor's Experience In American Medicine*.

Liberty: The God that Failed
 Chris Ferrara makes the "short case" for a modern reconstruction of Christendom as the only answer to the

civilizational crisis—an idea that a growing number of political thinkers, not all of them Catholic, are seriously discussing. **Christopher A. Ferrara** is President and Chief Counsel of the American Catholic Lawyers Association, Inc. He is a regular contributor to *The Latin Mass* magazine.
